COMPOSTABLE

Ci impegniamo costantemente per fare in modo che
il nostro tovagliato sia, non solo bello e pratico
ma anche sostenibile: buona parte degli articoli MICRO
sono compostabili, quindi conformi alla norma
UNI EN 13432 in materia di compostabilità.

*We constantly strive to make our tableware not only
practical and pleasant but also sustainable:
most of our MICRO range of products are
compostable according to the UNI EN 13432 standards.*
